Bid Proposal for: **Drainage Repairs- Crossgate Subdivision**
Date Issued: **June 5, 2017**

The purpose of this invitation by the City of Guyton, Georgia is to solicit written bid proposals to repair and correct the drainage issues currently affecting lots 72, 73, 92, and 93, in the Crossgate Subdivision.

The City of Guyton seeks to immediately contract for the following work:

1. Relay the pipes
2. Provide anchors to hold the pipes down
3. Install concrete flared section to the inlet and outlet ends of the pipe to dress the area up and assist in keeping the pipes anchored down
4. Install extra soil on top of the pipe to provide cover over the pipe and prevent further erosion, and allow storm water to follow the edge of the street to existing storm box
5. Cut hole in storm box and build flume into the box allowing the water from the street to enter this box instead of eroding the ditch near the current pipe
6. Grass the site
