

YARD DEBRIS UPDATE

Effective August 2021

City of Guyton residents no longer need to call to schedule dry trash pick-up. EOM has established a regular route as follows;

Tuesday – Residents East of Central Blvd. (as indicated in blue shaded area on map)

Thursday – Residents West of Central Blvd. (as indicated in green shaded area on map)

Residents must have yard debris placed curbside by 8:00 AM on the scheduled pick-up day

Figure 1: Dry Trash Pick-Up Zone Map

REMINDERS TO ENSURE PICK-UP

- ✓ Brush/ tree limbs can be no longer than 6" thick
- ✓ Limb/ brush piles should be no larger than 3x8x3 feet (equivalent of a small pick-up truck load)
- ✓ Grass clippings/ leaves must be packaged in a sturdy biodegradable container or bag
- ✓ Items not acceptable for pick-up: wood containing nails/ metals; bags of debris weighing more than 50 lbs; logs; firewood; root balls; debris from a major tree removal; construction or demolition debris; or any yard trimmings not accessible to workers.
